This product grid is intended to highlight benefits and should not be used to fully understand exact coverage. If this grid conflicts with the Certificate of Coverage, Schedule of Benefits, Riders, and/or amendments, those documents govern. Review your COC for an exact description of the services and supplies that are not covered,

^{*}Place of Service - the Price (Copays) for some medical services and procedures are determined by the clinical setting in which the individual actually receives the care ("Place of Service"). For example, minor surgery in an office will incur an Office Visit price (copay), whereas minor surgery received in a hospital will incur an Outpatient Hospital Services and Surgery price (copay).

^[1] Advanced Tests are complex medical tests your doctor may order to learn more about your health; typically planned and separately scheduled. Examples include EKG or a Facility Based Sleep Study.

^[2] Therapeutic Procedures are treatments for complex diseases and health needs that do not involve surgery. Examples include radiation therapy or dialysis.

^{**}All visit and stay limits are per covered person per plan year and combined in-network and out-of-network.

^{***} Retail and Mail Order 90 day ratio is 2.5
